

## MAYOR MEETS MAGOSHI AND MANTONA

Lepelle-Nkumpi Mayor Matome Calvin Masoga met with the municipal Magoshi and Mantona on the 02 October 2007 at Lebowakgomko Civic Centre with the aim of engaging and updating them on issues of Municipal development ,Land use Management Scheme, Extension of services to some nearby Villages and Cleaning Campaign.

Danie Botha ,who represents the National Council Of Province attended on behalf of the Constituency Office. He said in his speech that as they travel around the province they ,they found out that Lepelle-Nkumpi is one of the best amongst other developing Municipalities .It has proved its commitments by submitting an approved accredited IDP and Budget for the financial year 2007/8 in time to the National Parliament.

He further congratulated Lepelle-Nkumpi for utilizing their budget effectively and efficiently,even if it is too little.

Mr Danie Botha also urged Magoshi to give the municipality their outmost support and to take part in the IDP and Budget of the municipality.

“Lepelle-Nkumpi should not hesitate to make use of the Constituency Office as it is one of the best in the province if not the country,”Mr Botha said.

The Mayor of the municipality Cllr Matome Masoga, addressed Magoshi and Mantona and in his speech, he stressed the strengthening of the relationship between the Traditional Leaders and the municipality.

He further addressed them of the issue of the Land use management scheme that has been approved and how it's going to be implemented. He made a plea to Magoshi to support the scheme as it will assist them in distributing land in a correct manner.

Masoga also urged Magoshi to assist in making the community to understand that with the little budget given, the municipality will make sure that services are extended bit by bit to the people .”Rome was not built in one day,”Masoga said.
