

## **Mayor masoga assures community of improved service delivery.**

Lepelle-Nkumpi municipality in partnership with Capricorn District Municipality hosted a community Imbizo at Seleteng Ga-Mphahlele on Sunday the 05 November 2006, to consult with its constituency on basic service delivery issues. The Mayor, Speaker and all other Councillors were present at the Imbizo, Capricorn District Mayor was represented by Cllr Keetse and the Speaker Cllr Mothudi. All Heads of Portfolios of the municipality responded to the concerns raised by the community.

The event was honored by the traditional leaders, Managers from various Sector departments, local business persons and taxi association delegation of the municipality.

The event was also part of the Lepelle-Nkumpi Integrated Development Plan 2006/07 Review process which seeks to review the progress made and challenges ahead of the adopted IDP. The community raised important issues that varied from socio-economic and political spectrum.

The community complained a lot about unemployment rate, housing, poor roads infrastructure, educational facilities like libraries, lack of monitoring of government initiated projects and vandalism of these projects in the municipality.

The Mayor of Lepelle-Nkumpi Municipality Cllr Matome Masoga in response assured the community that his Council has noted the concerns and will collectively address the whole spectra of concerns. He encouraged the community to take active ownership of projects that are established in their communities and enter in partnership with the council to ensure sustainability and good management of the projects.

The event was subsequently blessed with the official opening by unveiling the plaque of Seleteng Taxi Rank. Kgosigadi Mahlako 'A Bauba Mphahlele thanked all the people who attended the event and also indicated that she felt honoured that the event took place at Ga-Mphahlele which shows that they have full support and confidence in the Lepelle-Nkumpi Council.
