INTRODUCTION

Lepelle-Nkumpi Municipality (LNM) hereby invites current and prospective suppliers to apply to be verified and registered on the Municipal Supplier Database as required by the Municipal Finance Management Act of 2003 and its Regulations. Henceforth, Lepelle-Nkumpi Municipality (LNM) will not do business with suppliers that are not validated and registered on the database with a valid vendor number. Suppliers currently doing business with Lepelle-Nkumpi Municipality (LNM) must reapply in terms of this new process.

Instructions to Suppliers:

1. The application forms must be completed in full.
2. All the required and supporting documentations must be submitted jointly with the form. Company profiles and brochures are also welcome.
3. Failure to submit supporting and requested information will lead to your company being registered, but not available to be used by LNM.
4. The Required Information section on page 4 is an indication of what information is required for your business to be verified and registered without delays.
5. The Checklist for LNM Officials section on page 5 is not to be completed by Suppliers.
6. Business Registration and Business Information sections on pages 6 to 9 are pre-requisites for registration and therefore must be completed in full. Failure to complete this section will lead to your business not being registered.
7. It is compulsory to complete Products and/or Services section on page 10-27. Please tick in the appropriate box. This section will enable Lepelle-Nkumpi Municipality (LNM) to grant your company an opportunity to submit quotations or tenders whenever the opportunities arise. Lepelle-Nkumpi Municipality (LNM) will still invite tenders through public media. Failure to provide Products and/or Services indicated by your company will result in immediate removal from the database.
8. Trade Experience section on page 27 must be completed in full to give Lepelle-Nkumpi Municipality (LNM) an understanding of whether your firm has experience of supplying the products and services your firm is applying for. Lack of experience will not necessarily lead to your firm not being verified or registered.
9. Latest audit financial statements must be supplied with the application to give Lepelle-Nkumpi Municipality (LNM) an understanding of your company's financial standing. Start up companies without financial history will also be eligible for registration.
10. Facilities, Plant and Equipment section on page 30 must be completed in full to give the city an indication of your technical capacity.
11. Declaration by business under oath on page 38 is compulsory and must be completed in full by all suppliers. Failure to comply with the requirement will lead to your company not being registered.
12. Lepelle-Nkumpi Municipality reserves the right to validate all information supplied and any misrepresentation of facts may lead to disqualification and potentially being restricted to do business with other spheres of government and / or other organs of the state.
13. A duly completed form together with supporting documentation must be submitted to the address indicated on the front page. The form and documentation can also be faxed or emailed to the relevant details on the front page.
14. For assistance on how to complete the form or any other query related to this process please contact the Supplier Verification & Registration Help Desk on (015) 6336 4500
15. Lepelle-Nkumpi Municipality (LNM) will inform suppliers of the status of their application in writing / email / sms / fax.
