## SABC VISIT JUDYS PARADISE HOME FOR CEREBRAL PALSIED CHILDREN

More lives continue to be uplifted through the SABC Foundation with Thobela FM. During this year's Mandela month celebrations on the 31<sup>st</sup> July 2014, SABC Foundation CSI Projects, Thobela FM together with Lepelle-Nkumpi Municipality, Nedbank, Ellerines, Jane Furse Builders Suppliers and other partners dedicated their 67 minutes at Judy's Paradise home for children cerebral palsy at Lebogakgomo zone A, with the aim to empower individuals with Cerebral Palsy to reach their maximum potential and lead happy and fulfilled lives and make a difference to their families as they feel that they are excluded from the communities they live in.

"Nelson Mandela believed in and strived to achieve. The SABC Foundation ensures that July plans include bringing relief to our communities while restoring dignity through donating blankets, food parcels, toys and sanitary wear to the children of Judy's Paradise. It is not how the country looks after the rich and support but how the less fortunate are looked after" said SABC Foundation CEO Iris Cupido.

"As a station, Thobela fm remains very committed to serving the community while focusing and putting more emphasis in addressing challenges that communities continue to grapple with. It is

such a rewarding feeling to work for this platform which enables us to making a difference in the community or individuals lives and fulfilling our mandate as SABC which says we must educate, inform and entertain people”, says Thobela fm Station Manager: Ms. Moshongwa “Mosh” Matsena
