

# Report of the auditor-general to Limpopo Provincial Legislature and the council on Lepelle-Nkumpi Local Municipality

## Report on the audit of the financial statements

### Opinion

1. I have audited the financial statements of the Lepelle-Nkumpi Local Municipality set out on pages ... to ..., which comprise the statement of financial position as at 30 June 2021, statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Lepelle-Nkumpi Local Municipality as at 30 June 2021, and its financial performance and cash flows for the year then ended in accordance with the Standards of Generally Recognised Accounting Practice (Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2020 (Act No.4 of 2020) (DoRA).

### Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### Emphasis of matter

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

### Restatement of corresponding figures

7. As disclosed in note 35 to the financial statements, the corresponding figures for 30 June 2020 have been restated as a result of errors in the financial statements of the municipality at, and for the year ended, 30 June 2021.

### **Material impairment**

8. As disclosed in note 30 to the financial statements, material impairment of R54 264 734 were incurred as a result irrecoverable receivables.

### **Uncertainty relating to the future outcome of litigations**

9. With reference to note 36 to the financial statements, the municipality is the defendant in various claims. The municipality is opposing the claims. The ultimate outcome of the matters could not be determined and no provision for any liability that may result has been made in the financial statements.

### **Other matters**

10. I draw attention to the matters below. My opinion is not modified in respect of these matters.

### **Unaudited disclosure notes**

11. In terms of section 125(2)(e) of the MFMA the municipality is required to disclose particulars of non-compliance with the MFMA in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion thereon.

### **Unaudited supplementary schedules**

12. The supplementary information set out on pages XX to XX does not form part of the financial statements and is presented as additional information. I have not audited these schedules and, accordingly, I do not express an opinion thereon.

### **Responsibilities of the accounting officer for the financial statements**

13. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and the DoRA, and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
14. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

### **Auditor-general's responsibilities for the audit of the financial statements**

15. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect

a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

16. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

**Report on the audit of the annual performance report**

**Introduction and scope**

17. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I have a responsibility to report on the usefulness and reliability of the reported performance information against predetermined objectives for selected development priorities presented in the annual performance report. I performed procedures to identify material findings but not to gather evidence to express assurance.
18. My procedures address the usefulness and reliability of the reported performance information, which must be based on the municipality's approved performance planning documents. I have not evaluated the completeness and appropriateness of the performance indicators included in the planning documents. My procedures do not examine whether the actions taken by the municipality enabled service delivery. My procedures do not extend to any disclosures or assertions relating to the extent of achievements in the current year or planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
19. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the following selected development priority presented in the municipality's annual performance report for the year ended 30 June 2021:

Development priority	Pages in the annual performance report
Key performance area – basic service delivery and infrastructure development	x – x

20. I performed procedures to determine whether the reported performance information was properly presented and whether performance was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
21. I did not identify any material findings on the usefulness and reliability of the reported performance information for this development priority:
  - Basic service delivery and infrastructure development

## **Other matters**

22. I draw attention to the matters below.

### **Achievement of planned targets**

23. Refer to the annual performance report on pages ... to ... for information on the achievement of planned targets for the year. This information should be considered in the context of the material findings expressed on the usefulness and reliability of the reported performance information in paragraph x of this report.

### **Adjustment of material misstatements**

24. I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were in the reported performance information of Basic Service Delivery and Infrastructure Development. As management subsequently corrected the misstatements, I did not raise any material findings on the usefulness and reliability of the reported performance information.

## **Report on the audit of compliance with legislation**

### **Introduction and scope**

25. In accordance with the PAA and the general notice issued in terms thereof, I have a responsibility to report material findings on the municipality's compliance with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.

26. The material findings on compliance with specific matters in key legislation are as follows:

### **Financial statements and annual reports**

27. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA.

Material misstatements of non-current assets, current assets, current liabilities and disclosure items identified by the auditors in the submitted financial statements were subsequently corrected and the supporting records were provided subsequently, resulting in the financial statements receiving an unqualified audit opinion.

### **Expenditure management**

28. Reasonable steps were not taken to prevent irregular expenditure amounting to R8 999 304 as disclosed in note 43 to the annual financial statements, as required by section 62(1)(d) of the MFMA. The majority of the disclosed irregular expenditure was caused by non-compliance with the applicable supply chain management (SCM) legislation.

29. Reasonable steps were not taken to prevent unauthorised expenditure amounting to R257 157 237, as disclosed in note 42 to the annual financial statements, in contravention of

section 62(1)(d) of the MFMA. The unauthorised expenditure was as a result of the under budgeting of the non-cash items.

### **Asset management**

30. An effective system of internal control for assets was not in place, as required by section 63(2)(c) of the MFMA.

### **Consequence management**

31. Some of the unauthorised expenditure incurred by the municipality was not investigated to determine if any person is liable for the expenditure, as required by section 32(2)(a) of the MFMA.

### **Other information**

32. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report. The other information does not include the financial statements, the auditor's report and those selected development priorities presented in the annual performance report that have been specifically reported in this auditor's report.
33. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion on it.
34. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected development priorities presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
35. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

### **Internal control deficiencies**

36. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance on it. The matters reported below are limited to the significant internal control deficiencies that resulted in the findings on compliance with legislation included in this report.

37. Non-compliance with legislation as detailed under the *Findings on compliance with legislation* section of this report could have been prevented had compliance been properly reviewed and monitored.
38. The municipality developed and monitored plans to address prior year external audit findings, but the plans did not adequately address the significant findings on compliance with legislation included in this report. This is evident in the repeat findings as detailed under the *Findings on compliance with legislation* section of this report.

### **Material irregularities**

39. In accordance with the PAA and the Material Irregularity Regulations, I have a responsibility to report on material irregularities identified during the audit.

### **Material irregularities in progress**

40. I identified a material irregularity during the audit and notified the accounting officer, as required by material irregularity regulation 3(2). By the date of this auditor's report, the response of the accounting officer was not yet due. This material irregularity will be included in the next year's auditor's report.

### **Other reports**

41. I draw attention to the following engagements conducted by various parties which had, or could have, an impact on the matters reported in the municipality's financial statements, reported performance information, compliance with applicable legislation and other related matters. These reports did not form part of my opinion on the financial statements or my findings on the reported performance information or compliance with legislation.

42. An independent forensic consultant investigated allegations of employee misconduct, fraud and other irregular activities, which covered the period 2017-18 to 2019-20. The investigation was concluded on 09 January 2021 and resulted in disciplinary actions against employees.

Auditor-General

Polokwane

30 November 2021

AUDITOR-GENERAL  
SOUTH AFRICA

*Auditing to build public confidence*

## **Annexure – Auditor-general’s responsibility for the audit**

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected development priorities and on the municipality’s compliance with respect to the selected subject matters.

### **Financial statements**

2. In addition to my responsibility for the audit of the financial statements as described in this auditor’s report, I also:
  - identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
  - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality’s internal control
  - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer
  - conclude on the appropriateness of the accounting officer’s use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the Lepelle-Nkumpi Local Municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor’s report. However, future events or conditions may cause a municipality to cease operating as a going concern
  - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

### **Communication with those charged with governance**

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and

other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.
