

LEPELLE-NKUMPI LOCAL MUNICIPALITY TAKES AN ACTIVE ROLE IN PLEDGES AT THE 5TH LIMPOPO INVESTMENT CONFERENCE

Lepelle-Nkumpi Local Municipality has reaffirmed its commitment to driving local economic growth by actively participating in the 5th Limpopo Investment Conference, held at The Ranch.

During the closing session, Premier Dr. Phophi Ramathuba announced R170 billion in investment pledges aimed at accelerating economic development across the province. The Premier urged municipalities to intensify their participation in building the provincial economy and to expand initiatives that foster sustainable development. In line with this call, Lepelle-Nkumpi Local Municipality pledged R475 million, demonstrating its dedication to creating a conducive environment for investment. The municipality continues to unlock growth through its (BA) development initiatives, which are designed to attract investment, stimulate local economic expansion, and create long-term employment opportunities.

As Lepelle-Nkumpi gears up for its own Municipal Investment Conference scheduled for 21 November 2025, the municipality is strengthening strategic partnerships to promote inclusive and transformative economic development.

The Mayor, Dr. Cllr. Merriam Molala, has extended an invitation to investors to participate in the upcoming conference, emphasising that the focus will be on positioning Lepelle-Nkumpi as a smart, modern, and investment-ready municipality.
