

LNK SCHOLAR PATROL ROAD SAFETY PROGRAMME

The scholar patrol on the R37 road in Staansplaas Village, Ga-Mphahlele between Molapo Matebele Primary School and Boikhutsong High School is an important part of road safety education and essential to enhancing the safety of schoolchildren.

This is a road safety initiative led by Lepelle-Nkumpi Local Municipality's Road Traffic and Safety Unit under the Community Services Department, with the assistance of the educators from the two schools. As part of continuous monitoring of learner safety at these schools, patrol on the busy R37 road is done in the mornings and afternoons.

Motorists using the R37 are urged to follow the rules of the road and signs with a further caution to reduce speed.
