

MAYOR MOLALA GRACES WATERBERG TVET COLLEGE GRADUATION CEREMONY

In a momentous occasion that celebrated academic achievement and community progress, the Mayor of Lepelle-Nkumpi Local Municipality, Cllr. Dr Meriam Molala, attended the graduation ceremony of Waterberg TVET College, NCV Courses. The event was held at Lebowakgomo, Civic Centre on Wednesday, 02 October 2024.

The graduation ceremony was a grand affair, filled with pride and anticipation. Hundreds of students, clad in their graduation gowns, eagerly awaited their moment to receive their diplomas. The ceremony commenced with a warm welcome from the college principal, Ms. KR Dipela who congratulated the graduating class on their hard work and dedication.

Mayor Molala, in her keynote address, emphasised the importance of education in driving economic growth and social development. She commended the TVET college for its role in producing skilled graduates who would contribute significantly to the municipalities workforce. The mayor also highlighted the municipality's commitment to supporting education and skills development initiatives.

"Education is the key to unlocking our potential as a community," the mayor said. "I am proud to witness the achievements of these talented young people. Their success is a testament to the hard work of our educators and the support of their families."

As the graduates stepped out into the world, they carried with them not only their diplomas but also the hope and promise of a brighter future. The mayor's presence at the graduation ceremony served as a symbol of the community's support for education and its belief in the potential of its young people.
