1. INTRODUCTION

1.1 Lepelle-Nkumpi Municipality recognises the fact that:-

- Criminal and other irregular conduct within Lepelle-Nkumpi Municipality is detrimental to good, effective, accountable and transparent governance within the municipality and can endanger the economic stability of the municipality and have the potential to cause social damage;
- There is a need for procedures in terms of which employees may, without fear of reprisals, disclose information relating to suspected or alleged criminal or other irregular conduct affecting them and/ or the municipality;
- Every employer and employee has a responsibility to disclose criminal and any other irregular conduct in the workplace; and
- Every employer has a responsibility to take all necessary steps to ensure that employees who disclose such information are protected from any reprisals as a result of such disclosure.

2. OBJECTIVES OF THE POLICY

2.1. The Protected Disclosures Act came into effect on 16 February 2001. In order to remain in compliance with the Act, Lepelle-Nkumpi Municipality will:

- Strive to create a culture which will facilitate the disclosure of information by employees relating to criminal and other irregular conduct in the workplace in a responsible manner by providing clear guidelines for the disclosure of such information and protection against reprisals as a result of such disclosure; and
- Promote the eradication of criminal and other irregular conduct within Lepelle-Nkumpi Municipality.

2.2. The policy is intended to encourage and enable staff to raise concerns within Lepelle-Nkumpi Municipality rather than overlooking a problem or blowing the whistle to inappropriate channels.

2.3. Furthermore the policy aims to:

- Provide avenues for staff to raise concerns and receive feedback on any action taken;
- Inform staff on how to take the matter further if they are dissatisfied with the response; and
- Reassure staff that they will be protected from reprisals or victimisation for whistle blowing in good faith.

3. SCOPE OF THE POLICY

3.1. There are existing grievance procedures in place to enable employees of Lepelle-Nkumpi Municipality to raise grievances relating to their employment. This policy is intended to cover concerns that fall outside the scope of grievance procedures. These concerns in the policy, are the following:

- a) That a criminal offence has been committed, is being committed or is likely to be committed;
- b) That a person has failed, is failing or is likely to fail to comply with any legal obligation to which that person is subject;
- c) That a miscarriage of justice has occurred, is occurring or is likely to occur;
- d) That the health or safety of an individual has been, or is being or is likely to be endangered;
- e) That the environment has been, is being or is likely to be damaged;
- f) Unfair discrimination as contemplated in the Promotion of Equality and Prevention of Unfair Discrimination Act (PEPUDA) No.4 of 2000
- g) That any matter referred to in paragraphs (a) to (f) has been is being or is likely to be deliberately concealed.

4. THE POLICY

PROTECTED DISCLOSURES ACT

4.1 Section 2 of The Protected Disclosures Act of 2000 clearly defines the "*Objectives of the Act*" as follows:

- To protect an employee from being subjected to an *occupational detriment* on account of having made a protected disclosure;
- To provide for remedies in connection with any occupational detriment suffered on account of having made a protected disclosure; and
- To provide for procedures in terms of which an employee can, in a responsible manner, disclose information regarding improprieties by his or her colleagues, other stakeholders and employer.

4.2. This policy is developed based on the principle objects of The Protected Disclosures Act of 2000, which encourages employees to disclose any acts of misconduct without fear of any recriminations or reprisals.

HARASSMENT OR VICTIMISATION

4.3 Lepelle-Nkumpi Municipality acknowledges the fact that the decision to report a concern can be a difficult one to make, not least because of fear of reprisals from those responsible for the irregularity. Lepelle-Nkumpi Municipality will not tolerate harassment or victimisation and will take action to protect employees when they raise a concern in good faith. Any act of harassment or victimisation should be reported to the Accounting Officer or alternatively, to the Risk Management Officer. This does not mean that if an employee is already the subject of disciplinary or other action, that action will be halted as a result of their whistle blowing.

CONFIDENTIALITY

- 4.4 Lepelle-Nkumpi Municipality will do its best to protect an individual's identity when he/ she raise a concern and do not want their identity to be disclosed.

ANONYMOUS ALLEGATIONS

- 4.5 Lepelle-Nkumpi Municipality encourages employees to put their names to the allegations. Concerns expressed anonymously are difficult to investigate; nevertheless they will be followed up at the discretion of Lepelle-Nkumpi Municipality, in consultation with the Internal Audit Unit. This discretion will be applied by taking into account the following:

- Seriousness of the issue raised;
- Credibility of the concern; and
- Likelihood of confirming the allegation.

FALSE ALLEGATIONS

- 4.6 Employees or other parties must understand the implications (resources and costs) of undertaking investigations and should therefore guard against making allegations, which are false and made with malicious intent.

5. REPORTING OF CONCERNS

- 5.1 The first step will be for the employee to approach his/her immediate supervisor/ manager unless he/ she or senior management is the subject of the complaint, in which case Risk Management Unit should be informed. Should the complaint be found by the manager to be substantiated, he/ she will consult with Risk Management Unit on whether the matter should be investigated internally or referred to the appropriate external body (e.g. SAPS or The Hawks)

- 5.2 Concerns are better raised in writing. The background and history of the concern, giving names, dates and places where possible should be set out and the reason why the individual is particularly concerned about the situation. Those who are uncomfortable to put their concerns in writing can telephone the **Lepelle-Nkumpi Municipality Anti Fraud and Corruption Hotline Number (0800 20 50 53)**. The earlier the concern is reported, the easier it is to take action and initiate recovery procedures where necessary.
- 5.3 Employees are not expected to prove the truth of an allegation; they will need to demonstrate to the person contacted that there are sufficient grounds for concern.
- 5.4. Advice and guidance on how matters of concern may be pursued can be obtained from the Risk Management Officer.

6. PROCEDURE TO DEAL WITH COMPLAINT

- 6.1 The action taken by Lepelle-Nkumpi Municipality will depend on the nature of the concern. The possible actions to the matters raised may, among others be to:
- Investigate internally; and/ or
 - Refer to the SAPS or other relevant law enforcement agency.
 - Appoint Independent Investigator
- 6.2 In order to protect individuals and Lepelle-Nkumpi Municipality, initial enquiries will be made to decide whether an investigation is appropriate, and if so, what form it should take
- 6.3 Some concerns may be resolved by agreed action without the need for investigation.
- 6.4 Risk Management Unit will write to complainants who have identified themselves:
- Acknowledging that the concern has been received; and
 - Informing them whether further investigations will take place, and if not, why.
- 6.5 The amount of contact between the body investigating the issue and the person(s) raising the concern will depend on the nature of the matters raised,

the potential difficulties involved and the clarity of the information provided. If necessary, further information will be sought from the individual.

- 6.6 Lepelle-Nkumpi Municipality accepts that employees need to be assured that the matter has been properly addressed. However, the progression of investigations will be handled in a confidential manner and will not be disclosed or discussed with any person other than those who have a legitimate right to such information. This is important in order to avoid damaging the reputation of suspected persons who are subsequently found innocent of wrongful conduct.

7. CREATING AWARENESS

- 7.1 In order for the policy to be sustainable, it must be supported by a structured education, communication and awareness programme.
- 7.2 It is the responsibility of Risk Management Unit to ensure that all employees, are made aware of, and receive appropriate training and education with regard to the whistle blowing policy.

8. ADMINISTRATION

- 8.1 Lepelle-Nkumpi Municipality has overall responsibility for the maintenance and operation of this policy and will be supported by the Risk Management Unit and Human Resources in maintaining a record of concerns rose and the outcomes (but in the form which does not endanger confidentiality).
