POLICY STATEMENT

A. Introduction

Section 111 of the Municipal Finance Management Act requires each municipality and municipal entity to adopt and implement a SCM policy, which gives effect to the requirements of the Act.

In addition, the Preferential Procurement Policy Framework Act requires an Organ of State to determine its Preferential Procurement Policy and to implement it within the framework prescribed. Effect to this requirement is provided for in this Policy.

In terms of section 111 of the MFMA, Lepelle-Nkumpi shall give effect to:

- a) Section 217 of the Constitution, and
- b) Part 1 of Chapter 11 and other applicable provisions of the MFMA
- c) Be fair, equitable, transparent, competitive and cost effective
- d) Comply with the regulatory framework prescribed in terms of section 168 of the Act.
- e) Not undermine the objective for uniformity in supply chain management systems between organs of state in all spheres of government.
- f) LNM shall not act otherwise than in accordance with this policy when procuring goods or services, disposing of goods no longer needed.

B. Goal

The goal of this Policy is to provide a mechanism to ensure sound, sustainable and accountable SCM within the LEPELLE NKUMPI MUNICIPALITY, whilst promoting black economic empowerment, which includes general principles for achieving the following socio-economic objectives:

- a. to stimulate and promote local economic development in a targeted and focused manner;
- b. to promote resource efficiency and greening;
- c. to facilitate creation of employment and business opportunities;
- d. to promote the competitiveness;
- e. to increase the small business sector access, in general, to procurement business opportunities created by the municipality; and
- f. to increase participation by small, medium and micro enterprises (SMME's)

Objectives

7. The objectives of this Policy are:
 - 7.1 to give effect to section 217 of the Constitution of the Republic of South Africa by implementing a system that is fair, equitable, transparent, competitive and cost effective;
 - 7.2 to comply with all applicable provisions of the Municipal Finance Management Act including the Municipal SCM Regulations published under GN868 in Government Gazette 27636 30 May 2005 and any National Treasury Guidelines issued in terms of the MFMA;
 - 7.3 to ensure consistency with all other applicable legislation and any regulations pertaining thereto
8. This Policy will also strive to ensure that the objectives for uniformity in SCM systems between organs of state, in all spheres are not undermined and that consistency with national economic policy on the promotion of investments and doing business with the public sector is maintained.

Oversight

9. Section 117 of the Municipal Finance Management Act prohibit a municipal councilor from being a member of a bid committee or any other committee evaluating or approving quotations or bids nor may a municipal councilor attend any such meeting as an observer.
10. Council, however, has an oversight role to ensure that the MM implements this SCM Policy.
11. The Mayor must provide general political guidance over the fiscal and financial affairs of the Municipality and may monitor and oversee the exercise of responsibilities assigned to the MM and CFO in terms of the Municipal Finance Management Act.
12. For the purposes of such oversight, the MM shall, within 10 (ten) days of the end of each quarter, submit a report on the implementation of this Policy to the Mayor and, within 30 days of the end of each financial year, shall submit a similar such report to Council.
13. In addition, if any serious problem arises in relation to the implementation of this Policy, the MM shall immediately report to Council accordingly.
14. All such reports shall be made public in accordance with section 21.(1)(a) of the Systems Act.

9. Role of the Accounting Officer

The Municipal Manager is the accounting officer and the administrative authority for the municipality. In the first instance the Municipal Manager is accountable to the mayor for the implementation of specific agreed outputs. In the second instance the Municipal manager is accountable to the Council for the overall administration of the municipality. The Municipal Manager must be fully aware of the

reforms required in order to provide the Mayor, Councillors, senior officials and municipal entities with the appropriate guidance and advice on financial and budget issues. Whilst the Municipal Manager may delegate many tasks to the Chief Financial Officer or to other senior officials, this must be done carefully to ensure that all tasks are completed appropriately.

Accounting officer (Municipal Manager) should-

- (a) At least annually review the implementation of the policy and when considers it necessary, submit proposals for the amendment of the policy to council.
- (b) Implement a Supply Chain Management Policy.
- (c) Take account of the need for the uniformity in supply chain practices, particularly to promote accessibility of supply chain management systems for small businesses.
- (d) Ensure strict adherence to the guidelines provided by the National Treasury.
- (e) Develop the internal procedures and processes.
- (f) Report to council regarding implementation of the Supply Chain Management.
- (g) Comply with the highest ethical standards.

Role of the Chief Financial Officer

1. The CFO of a Municipality-

- a) Is administratively in charge of the Budget and Treasury Office;
- b) Must advise the Accounting Officer on the exercise of powers and duties assigned to the Accounting Officer in terms of this Act;
- c) Is a custodian of SCM Policy and report on its progress regarding the implementation.
- d) Overall management of the quotation and competitive bidding process from soliciting to processing of invoice payment
- e) Ensure that procurement and disposals are effected through practices that demonstrate compliance to all relevant legislation.
- f) Promotes corporate approach by encouraging standardization of items purchased within the Municipality to realize economic of scale.
- g) Submit regular reports to Budget and Treasury Portfolio Committee reports and other matters of concern regarding supply chain matters.

Compliance with Ethical Standards

- 15. In order to create an environment where business can be conducted with integrity and in a fair and reasonable manner, this Policy will strive to ensure that the MM and all representatives of the LEPELLE NKUMPI MUNICIPALITY involved in SCM activities shall act with integrity and in accordance with the highest ethical standards.
- 16. All SCM representatives shall adhere to the code of conduct of municipal staff contained in schedule 2 of the Systems Act, and this Policy's Code of Ethical Standards.

GUIDING PRINCIPLES/PILLARS OF PROCUREMENT

1. The LEPELLE NKUMPI MUNICIPALITY, undertakes all of its procurement and tendering in accordance with a system which is fair, equitable, transparent, competitive and cost-effective. The LEPELLE NKUMPI MUNICIPALITY ensures effective competition and transparency in its procurement processes, in line with the provisions of Section 217 (1) of the Constitution of the Republic of South Africa

Value for Money	The LEPELLE NKUMPI MUNICIPALITY shall strive for procurement effectiveness and shall carry out its procurement processes as cost effectively as possible.
Competitiveness	The LEPELLE NKUMPI MUNICIPALITY shall fulfil its requirements through open and effective competition, unless there are justifiable reasons to act to the contrary.
Accountability	Management shall be accountable for decisions and actions relative to procurement responsibilities, the procurement process, as well as the implementation, management and conclusion of any related contract. Accountability cannot be delegated and accounting officer remains accountable.
Transparency	The LEPELLE NKUMPI MUNICIPALITY shall strive to standardise and simplify procedures where appropriate and subscribe to open communication and engagement at all times. Any information reported publicly or otherwise provided to third parties as part of the procurement process, shall at all times be furnished in a responsible manner with the required level of attention to detail, accuracy and completeness, and with due consideration for any reliance that may be placed on any such representations by SCM officials.
Ethics	Vendors shall at all times be dealt with fairly and without any unfair discrimination. SCM officials shall abide by the LEPELLE NKUMPI MUNICIPALITY Code of Conduct, ensuring the highest level of integrity, honesty and fair-dealing in the discharge of all work responsibilities.
Fairness	The procurement process shall be open and fair, and shall afford each and every bidder timely access to the same and accurate information.

(2) The accounting officer may, in writing-

- (a) lower, but not increase, the different threshold values specified in subparagraph (1); or
- (b) direct that –
 - (i) written or verbal quotations be obtained for any specific procurement of a transaction

value lower than R2 000;

- (ii) formal written price quotations be obtained for any specific procurement of a transaction value lower than R10 000; or
- (iii) a competitive bidding process be followed for any specific procurement of a transaction value lower than R200 000.

(3) Goods or services may not deliberately be split into parts or items of a lesser value merely to avoid complying with the requirements of the policy. When determining transaction values, a requirement for goods or services consisting of different parts or items must as far as possible, be treated and dealt with as a single transaction.

General preconditions for consideration of written quotations or bids

A written quotation or bid may not be considered unless the provider who submitted the quotation or bid –

- (a) has furnished the municipality with that provider's –
 - (i) full name;
 - (ii) identification number or company or other registration number; and
 - (iii) tax reference number and VAT registration number, if any;
- (b) has indicated –
 - (i) whether he or she is in the service of the state, or has been in the service of the state in the previous twelve months;
 - (ii) if the provider is not a natural person, whether any of its directors, managers, principal shareholders or stakeholder is in the service of the state, or has been in the service of the state in the previous twelve months; or
 - (iii) whether a spouse, child or parent of the provider or of a director, manager, shareholder or stakeholder referred to in subparagraph (ii) is in the service of the state, or has been in the service of the state in the previous twelve months.

Implementation of the tax compliance status system (CIRCULAR 90)

In order to comply with the new TCS system and the condition of bids that a successful bidder's tax matters must be in order, Accounting Officers of all municipalities should:

- ☐ Designate officials, preferably from the supply chain management unit, whose function will be to verify the tax compliance status of a taxpayer and to manage the TCS system on the SARS website and have the functionality to verify the tax compliance status of a taxpayer on the SARS' e-Filing system. Guidance to the Tax Compliance functionality on eFiling is available on the SARS website www.sars.gov.za.
- ☐ Utilise the Municipal Bid Document 1 (MBD1) when inviting bids.
- ☐ As a bid condition, request bidders to register on government's Central Supplier Database (CSD) and include in their quotations or bids, their Master Registration Number or tax compliance status PIN to enable the municipality to verify the bidder's tax compliance status

Utilise the Master Registration Number or tax compliance status PIN to verify bidders' tax compliance status.

Print the tax compliance status screen view or letter with the result of the bidder's status at the date and time of verification to file with the bidder's bid documents for audit purposes.

Where the recommended bidder is not tax compliant, the bidder should be notified of their non-compliant status and the bidder must be requested to submit to the municipality or municipal entity, within 7 working days, written proof from SARS of their tax compliance status or proof from SARS that they have made an arrangement to meet their outstanding tax obligations. The proof of tax compliance status submitted by the bidder to the municipality or municipal entity must be verified via the CSD or e-Filing. The accounting officer should reject a bid submitted by the bidder if such a bidder fails to provide proof of tax compliance status within the timeframe stated above.

Lists of accredited prospective providers

- (1) The accounting officer must –
 - (a) keep a list of accredited prospective providers of goods and services that must be used for the procurement requirements through written or verbal quotations and formal written price quotations; LEPELLE NKUMPI MUNICIPALITY will use CSD as the list of accredited prospective providers.
 - (b) at least once a year through newspapers commonly circulating locally, the website and any other appropriate ways, invite prospective providers of goods or services to apply for evaluation and listing as accredited prospective providers on CSD;

Central Supplier Database

The CSD will automatically validate the following registration documents for the municipality:-

- (1) The procedure for the invitation of competitive bids, is as follows:
- (a) Any invitation to prospective providers to submit bids must be by means of a public advertisement in newspapers commonly circulating locally, the website of the municipality or any other appropriate ways including an advertisement on the E-Tender portal (MFMA CIRCULAR 81), Lepelle Nkumpi Municipality will not advertise on newspapers; and
- (b) the information contained in a public advertisement, must include –
- (i) the closure date for the submission of bids, which may not be less than 30 days in the case of transactions over R10 million (VAT included), or which are of a long term nature, or 14 days in any other case, from the date on which the advertisement is placed in a newspaper,;
 - (ii) a statement that bids may only be submitted on the bid documentation provided by the municipality ;and
 - (iii) date, time and venue of any proposed site meetings or briefing sessions.;
 - (iv) indicating whether or not the bid will be evaluated on functionality and stipulate the weighting criteria
 - (v) pre-qualification criteria in terms of the PPPFA Regulation 2017 number 4 if applicable
 - (vi) sub-contracting criteria (30 %) in terms of the PPPFA Regulation 2017 number 9 if applicable

The accounting officer may determine a closure date for the submission of bids which is less than the 30 or 14 days requirement, but only if such shorter period can be justified on the grounds of urgency or emergency or any exceptional case where it is impractical or impossible to follow the official procurement process.

Bids submitted must be sealed to ensure confidentiality of the bidder's documents and to avoid situations wherein bids can be tempered with.

Where bids are requested in electronic format, such bids must be supplemented by sealed hard copies, placed in a tender box in accordance with the correct procedure and the latter will be the official tender response.

For a bid to be considered it must comply with all the requirements of the bid documentation and be placed in the official tender box of Lepelle – Nkumpi Municipality.

The municipality may charge a non – refundable deposit of bid documents. This is subject to annual review. Values of the deposits will be determined annually and included in the official lists of tariffs.

The Chief Financial Officer or delegated official will ensure that the tender boxes are sealed until the time of their official opening, and ensure that they are properly secured.

At the advertised time, the tender box will be unlocked and opened in the presence of a municipal official. This will be done in public, and if possible, in the presence of the bidders or other interested parties. A municipal Official will open the bid documents. The tender box can be opened without any members of public being present provided that the appropriate procedure for advertising the time and venue has been followed.

The names of the total bid amounts will be read out and recorded in the tender register, which will be available for public inspection on request. A copy of the record must be kept in the Supply Chain Management's office and the original must be retained in Council's official filing system. In instances of bulk tender amounts that are too time – consuming to read out , only those request by bidders will be read , and a complete schedule provided as soon as is practical. Bid results will be published on the Municipality's website.

 - (c) there are demonstrable discounts or benefits to do so; and
 - (d) that other organ of state and the provider have consented to such procurement in writing.

Competitive bidding processes must be the first option before considering participating in a SCM regulation 32. Delay in implementing the procurement plan should not be a reason for participating in SCM regulation 32 taking into account MFMA Circular no 96

Procurement of goods necessitating special safety arrangements

- 1) The acquisition and storage of goods in bulk (other than water), which necessitate special safety arrangements, including gasses and fuel, should be avoided where ever possible.
- 2) Where the storage of goods in bulk is justified, such justification must be based on sound reasons, including the total cost of ownership, cost advantages and environmental impact and must be approved by the accounting officer.

Proudly SA Campaign

The municipality supports the Proudly SA Campaign to the extent that, all things being equal, preference is given to procuring local goods and services from:

Appointment of consultants

- (1) The accounting officer may procure consulting services provided that any Treasury guidelines in respect of consulting services are taken into account when such procurements are made.
- (2) Consultancy services must be procured through competitive bids if
 - (a) the value of the contract exceeds R200 000 (VAT included); or
 - (b) the duration period of the contract exceeds one year.

(3) In addition to any requirements prescribed by this policy for competitive bids, bidders must furnish particulars of –

- (a) all consultancy services provided to an organ of state in the last five years; and
- (b) any similar consultancy services provided to an organ of state in the last five years.

(4) The accounting officer must ensure that copyright in any document produced, and the patent rights or ownership in any plant, machinery, thing, system or process designed or devised, by a consultant in the course of the consultancy service is vested in the municipality

Accounting Officers must only contract with consultants after a gap analysis report has confirmed that the municipality does not have the requisite skills or resources in its permanent employment to perform the services required. Evidence of acute planning of the project must be visible to all relevant persons including the administration and political oversight mechanisms in place at the municipality

Accounting officers of municipalities must appoint consultants on a time and cost basis with specific start and end dates. Travel and subsistence costs for the appointment of consultants must be in accordance with the travel policy of government and the contract price specifies all travel & subsistence costs.

Deviation from, and ratification of minor breaches of, procurement processes

(1) The accounting officer may –

(a) dispense with the official procurement processes established by this Policy and to procure any required goods or services through any convenient process, which may include direct negotiations, but only –

- (i) in an emergency;
- (ii) if such goods or services are produced or available from a single provider only;
- (iii) for the acquisition of special works of art or historical objects where specifications are difficult to compile;
- (iv) acquisition of animals for zoos and/or nature and game reserves; or
- (v) in any other exceptional case where it is impractical or impossible to follow the official procurement processes; and

(2) The accounting officer must record the reasons for any deviations in terms of subparagraphs (1)(a) and (b) of this policy and report them to the next meeting of the council and include as a note to the annual financial statements.

Unsolicited bids

(1) In accordance with section 113 of the MFMA there is no obligation to consider unsolicited bids received outside a normal bidding process.

(2) The accounting officer may decide in terms of section 113(2) of the MFMA to consider an unsolicited bid, only if –

- (a) the product or service offered in terms of the bid is a demonstrably or proven unique innovative concept;
- (b) the product or service will be exceptionally beneficial to, or have exceptional cost advantages;
- (c) the person who made the bid is the sole provider of the product or service; and
- (d) the reasons for not going through the normal bidding processes are found to be sound by the accounting officer.

(3) If the accounting officer decides to consider an unsolicited bid that complies with subparagraph 2 of this policy, the decision must be made public in accordance with section 21A of the Municipal Systems Act, together with –

- (a) reasons as to why the bid should not be open to other competitors;
- (b) an explanation of the potential benefits if the unsolicited bid were accepted; and
- (c) an invitation to the public or other potential suppliers to submit their comments within 30 days of the notice.

(4) The accounting officer must submit all written comments received pursuant to subparagraph 3, including any responses from the unsolicited bidder, to the National Treasury and the relevant provincial treasury for comment.

(5) The adjudication committee must consider the unsolicited bid and may award the bid or make a recommendation to the accounting officer, depending on its delegations.

(6) A meeting of the adjudication committee to consider an unsolicited bid must be open to the public.

- (7) When considering the matter, the adjudication committee must take into account –
 - (a) any comments submitted by the public; and
 - (b) any written comments and recommendations of the National Treasury or the relevant provincial treasury.
- (8) If any recommendations of the National Treasury or provincial treasury are rejected or not followed, the accounting officer must submit to the Auditor General, the relevant provincial treasury and the National Treasury the reasons for rejecting or not following those recommendations.
- (9) Such submission must be made within seven days after the decision on the award of the unsolicited bid is taken, but no contract committing the municipality to the bid may be entered into or signed within 30 days of the submission.

Combating of abuse of supply chain management system

- (1) The accounting officer must–
 - (a) take all reasonable steps to prevent abuse of the supply chain management system;
 - (b) investigate any allegations against an official or other role player of fraud, corruption, favouritism, unfair or irregular practices or failure to comply with this Policy, and when justified –
 - (i) take appropriate steps against such official or other role player; or
 - (ii) report any alleged criminal conduct to the South African Police Service;
 - (c) check the National Treasury's database prior to awarding any contract to ensure that no recommended bidder, or any of its directors, is listed as a person prohibited from doing business with the public sector;
 - (d) reject any bid from a bidder–
 - (i) if any municipal rates and taxes or municipal service charges owed by that bidder or any of its directors to the municipality or to any other municipality or municipal entity, are in arrears for more than three months; or

- (ii) who during the last five years has failed to perform satisfactorily on a previous contract with the municipality or any other organ of state after written notice was given to that bidder that performance was unsatisfactory;
- (e) reject a recommendation for the award of a contract if the recommended bidder, or any of its directors, has committed a corrupt or fraudulent act in competing for the particular contract;
- (f) cancel a contract awarded to a person if –
 - (i) the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract; or
 - (ii) an official or other role player committed any corrupt or fraudulent act during the bidding process or the execution of the contract that benefited that person; and
- (g) reject the bid of any bidder if that bidder or any of its directors –

(vii) Damaged goods

Damaged goods from suppliers must be returned to the supplier for credit or replacement.

e) Stock Reviews

In order to manage the stores operations effectively, the Manager : Supply Chain Manager should continually review their stock holding based on information such as number of issues, levels of service achieved, total value of stock held and stock turnover.

Redundant and absolute stock should be identified by the Manager : Supply Chain Manager and reported to the Chief Financial Officer on a quarterly basis to be cleared off.

f) Stock Levels

The following should be determined to maintain the stock optimum stock levels:

- Minimum, maximum and re-order level;
- Slow moving or obsolete stock.

g) Annual Stock taking Procedures

- (i) The last two working days of the financial year the Stores closes for year-end inventory. No requisitions are filled, and no stock items are received.
- (ii) After the computer system has been updated a queue batch is run providing Central Stores with updated printouts for actual inventory. A separate sheet is provided for each stores section. The sheet will contain stock number – complete description, quantity on hand and a column for actual count and column for any discrepancy.
- (iii) The person conducting the inventory counts all items and makes appropriate notations on the inventory sheet. At the conclusion of each section, person dates and signs the inventory sheet.
- (iv) At the conclusion of all inventory sections, all discrepancies will be double-checked. The Manager: Supply Chain Management Unit will make appropriate adjustments to correct inventory records to actual count.
- (v) All printouts, original documents, work papers, adjustments and corrected inventory printouts are placed on file in Central Stores Office.

h) Reporting

Stores should provide a monthly report, which must include information relating to:

- a) Total value of monthly issues;
- b) Total value of stock remaining ;
- c) Average stock holding;
- d) Price structure;
- e) Expenditure by suppliers

Disposal management

- (1) The criteria for the disposal or letting of assets, including unserviceable, redundant or obsolete assets, subject to sections 14 and 90 of the MFMA, are as follows:
- (2) municipal council must specify the ways in which assets may be disposed of by –
 - (i) transferring the asset to another organ of state in terms of a provision of the Act enabling the transfer of assets;

- (ii) transferring the asset to another organ of state at market related value or, when appropriate, free of charge;
- (iii) selling the asset; or
- (iv) destroying the asset.

(2) The accounting officer must ensure that –

- a. immovable property is sold only at market related prices except when the public interest or the plight of the poor demands otherwise;
- (b) movable assets are sold either by way of written price quotations, a competitive bidding process, auction or at market related prices, whichever is the most advantageous;
- (c) firearms are not sold or donated to any person or institution within or outside the Republic unless approved by the National Conventional Arms Control Committee;
- (d) immovable property is let at market related rates except when the public interest or the plight of the poor demands otherwise;
- (e) all fees, charges, rates, tariffs, scales of fees or other charges relating to the letting of immovable property are annually reviewed;
- (f) where assets are traded in for other assets, the highest possible trade-in price is negotiated; and
- (g) in the case of the free disposal of computer equipment, the provincial department of education is first approached to indicate within 30 days whether any of the local schools are interested in the equipment.
- (h) a municipality may not transfer ownership as a result of a sale or other transaction or otherwise permanently dispose of a capital asset needed to provide minimum basic services.
- (i) a municipality may transfer ownership or otherwise dispose of a capital asset other than one contemplated in subsection 3 but only after the municipal council, in a meeting open to the public :
 - has decided on reasonable grounds that the asset is not needed to provide the minimum level of basic services.

- (1) Where assets are traded in for other assets , the highest possible trade – in price should be negotiated.
- (2) The 80/20 or 90/10 point system will apply to competitive bidding , which relate to the sale or letting of assets respectively , depending on the value of the asset.

Risk management

- (1) The municipality must have criteria for the identification, consideration and avoidance of potential risks in the supply chain management system.
- (2) Risk management must include –
 - (a) the identification of risks on a case-by-case basis;
 - (b) the allocation of risks to the party best suited to manage such risks;
 - (c) acceptance of the cost of the risk where the cost of transferring the risk is greater than that of retaining it;
 - (d) the management of risks in a pro-active manner and the provision of adequate cover for residual risks; and
 - (e) the assignment of relative risks to the contracting parties through clear and unambiguous contract documentation.

Elements of Risk

1. The element of risk management therefore are:
 - (a) Assessing the nature and extent of the risk associated with the Lepelle – Nkumpi operations.
 - (b) Deciding on an acceptable level of loss or degree of failure.
 - (c) Deciding how to manage/minimize/mitigate the risk.
 - (d) Monitoring, reporting and from time to time re-assessing the level and implications of risk exposure.

Performance management

The accounting officer must establish and implement an internal monitoring system in order to determine, on the basis of a retrospective analysis, whether the authorised supply chain management processes were followed and whether the objectives of this Policy were achieved.

Part 4: Other matters

Prohibition on awards to persons whose tax matters are not in order

- (1) No award above R15 000 may be made in terms of this Policy to a person whose tax matters have not been declared by the South African Revenue Service to be in order.
- (2) Before making an award to a person the accounting officer must first check with SARS whether that person's tax matters are in order. The municipality use CSD and the implementation of MFMA Circular 90 refers.

Prohibition on awards to persons in the service of the state

Irrespective of the procurement process followed, no award may be made to a person in terms of this Policy –

- (a) who is in the service of the state;
- (b) if that person is not a natural person, of which any director, manager, principal shareholder or stakeholder is a person in the service of the state; or
- (c) a person who is an advisor or consultant contracted with the Lepelle Nkumpi Municipality

Should it come to light that a false declaration was made by the bidder after the municipality had awarded the bid, the contract must be immediately suspended and payments made, recovered. False declarations by bidders can be viewed as a criminal offence and charges must be laid by the municipality with the South African Police Services for further investigation. Details will be reported to Council at its next meeting and information contained in the Annual Report of the municipality.

In the event that the Auditor-General detects irregular expenditure during the audit process as a result of possible false declarations and subsequent awards based on those declarations, the municipality will be informed of such irregular expenditure. The municipality will be required to rectify this matter by instituting the necessary remedial measures, by investigating the matter, recovering the funds

spent, instituting disciplinary proceedings against those liable for such actions and possible criminal prosecution as may be appropriate. The accounting officer must also apply the remedial measures contained under “Termination for Default” in the General Conditions of Contract.

Awards to close family members of persons in the service of the state

The accounting officer must ensure that the notes to the annual financial statements disclose particulars of any award of more than R2000 to a person who is a spouse, child or parent of a person in the service of the state, or has been in the service of the state in the previous twelve months, including –

- (a) the name of that person;
- (b) the capacity in which that person is in the service of the state; and
- (c) the amount of the award.
